Dear Lori:

While I was unable to attend the 21st Annual Charity Car Show event this year, I understand that you had a very positive response from participants despite some very uncertain weather conditions. Jim Worton was honored to be considered as one of the judges for your event and always remarks on the dedication and professionalism that your team of volunteer judges' exercise in viewing the quality of each car show participant. Doreen Wright greatly appreciates and remarks on the planning and organization that CEMA commits to in making this collaboration a model for other car shows we consider in the future.

We thank you sincerely for your generous donation of \$1,200 to the Walter P. Chrysler Museum Foundation. Further, I would like to express my personal gratitude to you and your colleagues for their continued enthusiasm and commitment in preserving our wonderful Chrysler heritage.

We look forward to our photographic session to officially recognize another chapter of success in our ongoing partnership of promoting and preserving automotive collecting, preservation and passion.

On behalf of the Museum Board and staff, please pass along our deepest appreciation to all of the CEMA Officers for your great support!

Sincerely,

Lori Pinter
