

CEMA @ Bearing Burners

As a "You help me, I'll help you" deal, CEMA has for the last four Bearing Burner (BB) shows helped park the show cars. This is not just a few cars, this year we parked 450 cars and it was a beautiful day! We had 3 members and one friend park cars. The members that helped were Lou Belli, Dan Kelly and myself, our friend that helped was Bob Metzger (Thanks Bob!) To top off a great day, all four of us won awards: Dan Kelly took a first place, and the rest of us took runner up awards. A fun day was had by all!!

CEMA members trip

The weekend after Easter this year, myself and 2 other members, Lou Belli and Randall Hiatt took a trip to North Carolina to the Food Lion Auto Fair @ Charlotte Motor Speedway. This was a HUGE event! It starts on Thursday and goes till Sunday. It is a swap meet and car corral, and then on Saturday and Sunday a huge car show joins the festivities. This is the whole infield for a swap meet, the car corral is on the race track all the way around. THEN there are 2 big fields outside of the

track between turn 2 and turn 3. This is BIG! We did Thursday and Friday at Charlotte, then on Saturday we went to Rockingham, NC for "Mopars @ the Rock" This was a smaller event, but a good time was had by all. If you ever get a chance some April to go to the Food Lion Auto Fair, it is an experience you will never forget!

Upcoming CEMA events:

- May 16th - CEMA Car Show Planning Meeting
Location: Walter P. Chrysler Museum
Time: 6:00 PM
